OUT-OF-POCKET MEDICAL EXPENSES CAN BREAK THE BANK

Emergency room bills can run to **\$10,000** or more based on members experiences.

Out-of-Pocket expenses with Marketplace and Group medical plans are much higher than most US adults can afford.

There are many other costs that most people do not think about when they or a loved one has a medical condition. Those extra expenses can also be very expensive.

For the **2026** plan year:

In-network **out-of-pocket** limit for a Marketplace plan can't be more than **\$10,600** for an **individual** and **\$21,200** for a **family**.

OUT-OF-POCKET LIMIT DOES NOT INCLUDE:

Your health insurance premiums

- Anything you spend for services your plan doesn't cover
- Out-of-network care and services
- Costs above the allowed amount for a service that a provider may charge

NEA MONTHLY LOBBYIST REPORT FOR ALL MEMBERS

With our representation through Lobbyit, National Employers Association (NEA) membership has a sustained presence in D.C. to build and maintain relationships with key Congressional and Administration offices to pursue policy changes and establish itself as an expert resource on issues relating to the labor market. NEA will also have access to communicate with agencies such as the U.S. Department of Commerce, and the U.S. Department of Labor. The long-term goal of this effort is to enact legislative and regulatory changes advantageous to NEA's membership and to expand its recognition before a bipartisan audience as a reliable and expert resource, thereby positioning NEA to effectively educate on labor related issues and solutions to membership.

Each month, NEA Members will have access to an online detailed description of Lobbyit's meetings, topics discussed, and essential takeaways. The newsletter will include the legislative and regulatory initiatives we are tracking and a high-level discussion of what to expect in Washington during the upcoming month.
